

HUSQVARNA LC 142i without battery and charger

Husqvarna LC 142i is an easy to use battery lawn mower with 42 cm cutting width and is suitable for mowing small and medium-sized lawns. Very easy to start – all that is needed is to remove the bailstop and pull the bail down. The mowing of the lawn can be done on a single charge, and with the compact design and ergonomic handle, the mower is easy to manoeuvre. Thanks to the folding and adjustable handle and the two integrated lifting handles, it is also easy to store and transport. Compatible with Husqvarna 36V battery system.

Central cutting height adjustment

Quick and easy adjustment of the grass cutting height. One lever controls the whole deck.

Lifting handle front and rear

Easy-to-grip handles in front and rear facilitate lifting into storage spaces, the car, or carrying up stairs.

Ergonomic handle

Ergonomic angle of the handle in combination with easy to reach bail arms makes operation easy.

Foldable handle

Foldable handle for easy storage and transportation

FEATURES

- Ergonomic angle of the handle in combination with easy to reach bail arms makes operation easy.
- Easy-to-grip handles in front and rear facilitate lifting into storage spaces, the car, or carrying up stairs.
- Quick and easy adjustment of the grass cutting height. One lever controls the whole deck.
- Foldable handle for easy storage and transportation
- The low noise provides a comfortable work situation and low disturbance for others.
- Automatic increase of blade speed when mowing in tough conditions means extra power.
- SavE™ mode maximises the run time by lowering the rpm and is ideal for tasks that do not require full power.
- Bail and bailstop ensure effortless start and stop without risking accidental starts.
- Thanks to the foldable handle, the product can get a more compact shape to take up less storage space.
- This product does not emit CO₂ emissions during use.
- Husqvarna's flexible 36V system BLi-X offers battery power for everything from light and demanding homeowner tasks to professional use.
