

## HUSQVARNA 530iPX SKIN ONLY

Agile and lightweight battery-powered forestry clearing saw with truly professional performance. Offers high chain speed plus exceptional balance, lightness and low vibrations for easy, precise work that is free from noise and direct emissions. Especially suited for uneven and dense terrain where superior freedom of movement is needed.

### Battery Through Body Design (Pat. pend.)

The battery is placed horizontally through the machine to reduce the risk of dirt, water, chips and dust getting into the battery compartment, causing connector issues. Also, it enhances the weight distribution and balance of the tool, making it more user-friendly with increased maneuverability. The through body design also offers a high degree of flexibility since it allows battery packs of different sizes to be used.

### Power-Conserving savE™ Mode

SavE™ mode maximises the run time, reduces noise levels and preserves product battery life by lowering the rpm. Ideal for tasks that do not require full power. Just press the button to turn savE™ mode on and off.

### Weatherproof (IPX4)

This battery-powered Husqvarna machine fulfils the IPX4 classification for rain resistance. This makes it a long-lasting and reliable tool that can be used all year round in all weather conditions.

### Intuitive keypad

The keypad is intuitive to operate, and you can easily adjust the settings with just the push of a button.

## FEATURES

- Fulfills the IPX4 classification for rain resistance, so you can get the job done in all weather conditions.
- SavE™ mode maximises the run time by lowering the rpm and is ideal for tasks that do not require full power.
- The battery is placed horizontally through the machine to reduce the risk of dirt and water getting into the battery compartment.
- The keypad is intuitive to operate, and you can easily adjust the settings with just the push of a button.
- In-house developed brushless motor provides a high and consistent torque.
- Ergonomic handle with easy access to the controls.
- A harness relieves weight for both arms and shoulders and provides a less strenuous working position.
- Fast, smooth cutting
- Rear impact guard
- Low noise levels create pleasant work and enable longer working hours even in the most public settings.
- Less parts to serve and an electronically controlled drive system means less downtime and low operation costs.
- Able to be used in all Husqvarna battery tools, our lithium-ion batteries are durable, easy to swap and recharge quickly
- This product does not emit CO emissions during use.

### Technical Specifications

<b>BATTERY</b>	
Battery	No
Battery type	Li-Ion
Battery voltage	36 V
<b>CAPACITY</b>	
Chain speed at max power	20 m/s
<b>DIMENSIONS</b>	
Article gross weight	8200 g
Article net weight	6200 g
Bar length	25 cm
Size	10
Tube diameter	24 mm
Tube length	1152 mm
Weight (excl. battery and cutting equipment)	3.1 kg
Weight (excl. cutting equipment)	3.1 kg
<b>ENGINE</b>	
Motor type	BLDC (brushless)
<b>EQUIPMENT</b>	
Chain type	H37
Connected digital function set (calc)	Premium : Released 2019-08-28Husqvarna Common Service Tool : Released 2019-01-01
Pitch	3/8"
Sprocket type	Spur 6
Connectivity	Corded
<b>LUBRICANTS</b>	
Oil tank volume	0.15 l
Power/fuel type	Battery
<b>MATERIALS</b>	
Master pack: Paper material	0 g
Metal total	0 g
Paper (PAP 22)	5 g
Paper material total	5 g
HDPE (02) total	0 g
PET (01) total	0 g
Plastic foil total	0 g
Plastic rigid total	73 g
Plastic total	73 g
PS/EPS/HIPS (06) total	0 g
<b>PACKAGING</b>	
Packaging height	267 mm
Packaging length	1848 mm
Packaging volume	115.96 dm <sup>3</sup>
Packaging width	235 mm
Quantity in Master pack	1
<b>SOUND AND NOISE</b>	
Sound power level, guaranteed (LWA)	101 dB(A)
Sound power level, measured	100 dB(A)
Sound pressure level at operators ear	96 dB(A)
<b>VIBRATIONS</b>	
Daily Vibration (Aeqv)	1.2 m/s <sup>2</sup>
Daily Vibration Exposure (A8)	0.3 m/s <sup>2</sup>
Daily Vibration Time (Time factor)	0.5 h
Equivalent vibration level (ahv, eq), front handle, collapsed	1.1 m/s <sup>2</sup>
Equivalent vibration level (ahv, eq) rear handle	1.2 m/s <sup>2</sup>
