

HUSQVARNA LC 419SP

A high performance self-propelled mower with rear-wheel drive and a large 48cm (19") cutting deck for long life and more efficient cutting, plus a powerful OHV four stroke engine and four cutting blades to give a superior cut and finish to your lawn. Features include dual ball bearing wheels, comfort grip folding handles with quick action cam locks, safety zone starting, large plastic catcher and eight cutting heights. Comes complete with mulch plug.

Cutting height adjustment

Quick and easy adjustment of the grass cutting height. One lever controls the whole deck.

Foldable handle

Quick action cam lock levers for fast and easy transport or storage.

Self propelled

Easy to operate self-propelled function integrated into the comfort handle

Two-in-one cutting system

Excellent versatility thanks to two different cutting systems: collection and BioClip® (mulching). Supplied standard with a grass collector and BioClip® mulch insert.

FEATURES

- Self-propelled
- Quick action cam lock levers for fast and easy transport or storage.
- Quick and easy adjustment of the grass cutting height. One lever controls the whole deck.
- Two-in-one cutting system
- Efficient cutting
- Large collector
