

Husqvarna 325iLK without battery and charger

Husqvarna 325iLK is a very well balanced, high-performance, battery-powered combi trimmer. The power output is the equivalent of a 25cc petrol engine, with the performance levels needed to take on the toughest tasks quicker and more efficiently. The trimmer can be used with the professional range of Husqvarna trimmer attachments, making it an extremely flexible multi-purpose tool for grass cutting, pruning, hedging, edging or cleaning. Can be used with either internal or external battery - on belt or backpack.

Quiet Operation

Low noise levels create pleasant work and enable longer working hours, even in the most public settings. The noise level from our battery machines is up to 13 dB(A) lower than a petrol machine. A reduction of 3 dB(A) is usually perceived as a halving of the noise level.

Adjustable front handle

Easy adjustable front handle for better control and comfortable use.

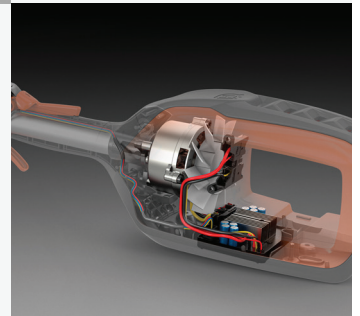

Click on attachments

Easy to change attachments to adapt the product to different tasks.

Low Maintenance

No fuel refilling, fewer parts and electronically-controlled drive system for less downtime

FEATURES

- Easy to change attachments to adapt the product to different tasks.
- Adjustable front handle for better control and comfortable use
- Low noise levels create pleasant work and enable longer working hours even in the most public settings.
- Less parts to serve and an electronically controlled drive system means less downtime and low operation costs.
- With Tap'n Go, line feeding is done effortlessly by simply pushing the trimmer head into the ground.
- Able to be used in all Husqvarna battery tools, our lithium-ion batteries are durable, easy to swap and recharge quickly
- Brushless motor for higher efficiency, longer lifetime and less maintenance compared to brushed motors.
- This product does not emit CO₂ emissions during use.

Technical Specifications	
BATTERY	
Battery	No
Battery charger	Not included
Battery type	Li-Ion
Battery voltage	40 V
Number of batteries included	0
Weight (excl. battery and cutting equipment)	3.4 kg
CAPACITY	
Output shaft thread	M10x1.25 Lefthanded
DIMENSIONS	
Article gross weight	5100 g
Article net weight	2300 g
Cutting width	42 cm
Tube length	1435 mm
Tube diameter	24 mm
ENGINE	
Motor type	BLDC (brushless)
EQUIPMENT	
Drive gear angle	60 °
Gear ratio	1
Grass blade	Not included
Harness	Not included
Saw blade	Not included
Trimmer head	T35 M10
Output shaft thread	M10x1.25 Lefthanded
PACKAGING	
Packaging height	170 mm
Packaging length	930 mm
Packaging width	170 mm
Quantity in Master pack	1
MATERIALS	
Master pack: Paper material	0 g
Metal total	0 g
Paper material total	0 g
HDPE (02) total	0 g
PET (01) total	0 g
Plastic foil total	0 g
Plastic rigid total	0 g
Plastic total	0 g
PS/EPS/HIPS (06) total	0 g
SOUND AND NOISE	
Sound power level, guaranteed (LWA)	96 dB(A)
Sound power level, measured	95 dB(A)
Sound pressure level at operators ear	82 dB(A)
VIBRATIONS	
Daily Vibration (Aeqv)	2.6 m/s ²
Daily Vibration Exposure (A8)	1.8 m/s ²
Daily Vibration Time (Time factor)	4 h
Equivalent vibration level (ahv, eq) left handle	2.6 m/s ²
Equivalent vibration level (ahv, eq) right handle	1.0 m/s ²
