

BLi20 Battery

Integrated battery suitable for home use, offering high capacity for extended run-time. Specially designed for use with the complete Husqvarna 100-series, including chainsaws. Offers excellent cooling and features an intuitive 3-LED charge indicator.

Interchangeable Battery System

Husqvarna's flexible 36V system BLi-X offers battery power for everything from light and demanding homeowner tasks to professional use. One battery can be used for several tools, and the wide range of options, from lightweight integrated to backpack batteries, makes it easy to find a tailored, powerful solution that perfectly suits your task at hand. All the batteries deliver high performance, are built to be used over a long time, and can be recharged and swapped quickly for continuous use.
