

## 8L Battery Handheld Sprayer

Professional sprayer designed for lawns, commercial cleaning, sanitizing, and applying harsh chemicals. Premium, commercial grade shut-off for long-term resistance to chemicals with comfortable grip. Easy-to-clean, in-line filter. 25" stainless steel wand with poly liner. Pressure release valve prevents chemicals from getting on you before opening the tank. Tear shaped tank = low center of gravity for stability. Vertical wand storage. 48" reinforced PVC hose & strain relief nut (to keep hose from kinking). Nozzle Kit (3) - (Brass adjustable, red poly high-volume fan, yellow poly high-volume fan, cap nut, Viton gasket).

### On/off switch

Convenient on/off switch provides consistent spray pressure at the push of a button.

### Battery and charger included

A rechargeable high-performance battery and charger are included with the sprayer.

## FEATURES

- Battery and charger included

- On/off switch
