

Husqvarna Charger 40-C80

Husqvarna 40-C80 is compact single bay desktop charger for occasional use. Provides safe and efficient charging of Husqvarna batteries.

Interchangeable Battery System

Husqvarna's flexible 36V system BLi-X offers battery power for everything from light and demanding homeowner tasks to professional use. One battery can be used for several tools, and the wide range of options, from lightweight integrated to backpack batteries, makes it easy to find a tailored, powerful solution that perfectly suits your task at hand. All the batteries deliver high performance, are built to be used over a long time, and can be recharged and swapped quickly for continuous use.

FEATURES
