

## Husqvarna 322iHD60

The durable Husqvarna 322iHD60 battery hedge trimmer delivers high-quality cuts at high capacity. It features a brushless motor that secures higher efficiency, longer lifetime and less maintenance compared to brushed motors. 322iHD60 has a light, ergonomic design, resulting in more comfortable work and less strain on the body. Equipped with stepless speed control to easily adapt the product to the current job, and with the weatherproof IPX4 rating, cutting can be carried out even when raining. The digital interface, robust hard buttons, and compact size provide user-friendliness at a high level. Part of Husqvarna's BLI-X 36V battery system, allowing one battery to be used for several tools.

### User friendly keypad

With the user-friendly keypad, you can optimise the product's performance with a simple push of a button. Equipped with LED indicators showing battery status and ruggedised hard top buttons for improved control.

### 3-Speed mode maximise your runtime

Thanks to the 3-speed mode, you can adjust the power output to the task at hand to maximise the run time.

### Low Carbon Emissions

By choosing this product, you can feel confident that it produces lower carbon emissions during active use compared to a traditional petrol product. This battery-driven product does not emit any CO<sub>2</sub> during use while still providing the power and quality that you expect from a Husqvarna product. However, it's important to note that CO<sub>2</sub> emissions are generated during other stages of the product's lifecycle, such as production, charging and end-of-life disposal.

### Automatic shutdown

The product automatically shuts down when left unattended, extending battery life and reducing injury risk.
