

Husqvarna 522iHDR60

Husqvarna 522iHDR60 is a well-balanced, lightweight 36 Volt battery-powered hedge trimmer for full-time professional use. Power-equivalent to a petrol hedge trimmer. The high-torque gear and a 60cm double-sided cutter bar with durable coarse cutting blades, make the 522iHDR60 optimised for trimming dense overgrown hedges. Place the battery in the product for great cordless manoeuvrability or maximise runtime by using the special adapter accessory to connect to a backpack battery. Integrated connectivity for easy connection to digital services. Battery and charger not included.

Coarse cut blades

Thanks to the high-torque gear and the coarse cut blades, you'll be able to take on dense or overgrown hedges.

Lightweight design

Lowest total weight within the Husqvarna hedge trimmer range through optimized components and lightweight motor.

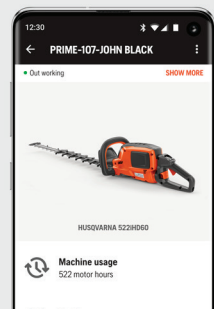

High cutting performance

Highest cutting performance within the Husqvarna battery hedge trimmer range.

Integrated Connectivity

Machines with a built-in connectivity module can easily be connected to Husqvarna Fleet Services™. Allowing you to see each machine's last known location, its usage stats and service history – and much more. This also facilitates updates of the machine's firmware, so that it's always compatible with the latest functions in Husqvarna Fleet Services™.

FEATURES

- Cut more in less time
- For high productivity
- Take on the overgrown with coarse-cut blades
- Integrated connectivity for easy connect to Husqvarna FleetServices™
- Highly flexible battery system
- A purposeful solution
- Fulfils the IPX4 classification for rain resistance, so you can get the job done in all weather conditions.
- Well balanced for great maneuverability
- Smooth transition from top to side
- Easily adapt to your working position
- Manual gear rotation for time saving blade service
- For smooth operation and high uptime
- Intuitive key pad for easy operation
- 3-speed mode for optimised runtime
- Low noise levels create pleasant work and enable longer working hours even in the most public settings.
- The battery is placed horizontally through the machine to reduce the risk of dirt and water getting into the battery compartment.
- Hassle-free work with external battery
- High power equally to petrol performance
- This product does not emit CO emissions during use.

Technical Specifications

BATTERY	
Battery	No
Battery charger	Not included
Battery type	Li-Ion
Battery voltage	36 V
Number of batteries included	0
CAPACITY	
Cutting speed	3200 cut/min
Teeth opening	30.5 mm
DIMENSIONS	
Article gross weight	6005 g
Article net weight	4425 g
Knife length	60 cm
Weight (excl. battery)	4 kg
ENGINE	
Gear ratio	14:6
Motor type	BLDC (brushless)
EQUIPMENT	
Drive gear angle	0°
LUBRICANTS	
Power/fuel type	Battery
PACKAGING	
Packaging height	206 mm
Packaging length	1410 mm
Packaging width	304 mm
Quantity in Master pack	1
MATERIALS	
Master pack: Paper material	0 g
Metal total	0 g
Paper material total	0 g
HDPE (02) total	0 g
PET (01) total	0 g
Plastic foil total	0 g
Plastic rigid total	0 g
Plastic total	0 g
PS/EPS/HIPS (06) total	0 g
SOUND AND NOISE	
Sound power level, guaranteed (LWA)	95 dB(A)
Sound power level, measured	93 dB(A)
Sound pressure level at operators ear	81 dB(A)
VIBRATIONS	
Daily Vibration (Aeqv)	2.6 m/s ²
Daily Vibration Exposure (A8)	1.7 m/s ²
Daily Vibration Time (Time factor)	3.5 h
Equivalent vibration level (ahv, eq) front handle	2.2 m/s ²
Equivalent vibration level (ahv, eq) rear handle	2.6 m/s ²
