

## BLi950X Backpack Battery

Heavy duty design meets maximum runtime. Truly durable, high capacity (31.1 Ah) backpack battery for highest productivity and longest runtime. Robust design guaranteed for daily outdoor work in all weathers. LED charge indicators on battery pack, plus exact battery charge percentage readable from adaptor simplifies work planning for the user. Advanced ergonomic harness allows a perfect fit, and the easily detachable battery pack means users can share batteries freely without swapping harnesses. Detachable support foot for free-standing use ensures all day comfort and productivity, and reduces the risk of the harness getting wet and dirty.

### Personal storage space

The built-in support foot also serves as a storage space for personal equipment.

### Checking the battery level

Clear LED display on the battery and even more exact power status on the adaptor to the product mean you can quickly see when the battery needs recharging.

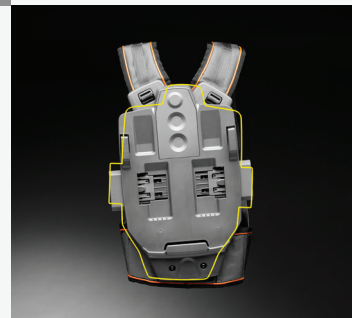

### Perfect fit

The ergonomic harness can be adjusted for all body sizes, resulting in less strain on your back and shoulders.

### Great mobility

The pivoting fixing point on the belt makes it possible for the harness to follow the movement of your shoulders, making sure you always work efficiently and comfortably.

## FEATURES

- Adjustable ergonomic harness for all body sizes.
- Battery LED display and power status on the adapter gives easy checking of the battery level.
- The built-in support foot also serves as a storage space for personal equipment.
- The pivoting fixing point makes it possible for the harness to follow the movement of your shoulders.
- Harness with several fixing points for the best cable guidance.
- Built-in foot for easy placement on flat surfaces, during transport and storage.
- Sturdy housing enables tough daily use with regular wear and tear.
- A purposeful solution

### Technical Specifications

#### BATTERY

Battery capacity	31.1 Ah
Battery sub-groups	Battery series batteries
Battery type	Li-Ion
Battery voltage	36 V
Cells per battery	90
Battery energy	1119.6 Wh

#### CERTIFICATIONS

CLG Product (Calc)	Yes
--------------------	-----

#### DIMENSIONS

Article gross weight	11400 g
Article net weight	9380 g
Weight (complete product w/o side packed articles)	9.4 kg

#### EQUIPMENT

Accessory for	Battery products
Parts and Accessories For	Blowers, Brush cutters, Chainsaws, Hedge trimmers, Grass trimmers

#### MATERIALS

Master pack: Paper material	0 g
Metal total	0 g
Other plastic: rigid	587 g
Paper (PAP 22)	464 g
Paper material total	464 g
HDPE (02) total	0 g
PET (01) total	0 g
Plastic foil total	0 g
Plastic rigid total	587 g
Plastic total	587 g
PS/EPS/HIPS (06) total	0 g

#### PACKAGING

Packaging height	235 mm
Packaging length	475 mm
Packaging volume	32.93 dm <sup>3</sup>
Packaging width	295 mm
Pallet layers	3
Quantity in Master pack	1
