

## Husqvarna Aspire™ Blower 18V Kit With 4.0Ah Battery and 2.5Ah Charger

Make the garden cleaning easy and efficient with Husqvarna Aspire™ B8X-P4A – an 18V battery-powered leaf blower designed to offer compact performance and smart storage. Thanks to its 3-step adjustable speed settings, it handles anything from delicate flower beds to wet leaves on the lawn. The comfortable soft grip handle and well-balanced, lightweight design make the leaf blower easy to use. Like all tools in the Husqvarna Aspire™ range, it has a sleek black design complemented by orange details that intuitively guide you to all interaction points. Storage in tight spaces is facilitated by the compact size, the included tailor-made hook, and the removable tube. The 18V POWER FOR ALL ALLIANCE battery system offers both flexibility and less storage since one battery can be used for several tools and gardening brands.

### POWER FOR ALL ALLIANCE battery system

The 18V POWER FOR ALL ALLIANCE battery system is optimal for home and garden tasks. One battery can be used for several tools and gardening brands, which allows great flexibility and less storage. Available in two sizes, Husqvarna's 18V batteries have been optimised for Aspire™ tools to ensure improved power and efficient run time and to suit a variety of DIY projects in your garden. In addition, the compact battery size and the low weight facilitate usability, making every task more convenient and efficient.

<br/>Automower® Aspire™ R4 is not part of POWER FOR ALL ALLIANCE and is powered with a built-in battery.

### Compact Storage

Made for easy storage with its tailor-made hook and compact design, Aspire™ tools can easily become even less bulky thanks to adjustable, collapsible or detachable parts that facilitate both storage and transport in tight spaces such as small sheds or cars. Using the hook included in every package, you can choose to store them directly on the wall or hang on our wall-mounted storage rail, part of the Husqvarna Storage system. Rail accessory sold separately.

### Compact Performance

The compact size and low weight of every Husqvarna Aspire™ product improve maneuverability and boasts an impressive amount of Husqvarna innovative technologies – all to increase the machine's capacity and efficiency while consistently delivering great results in your suburban garden.

### Intuitive Handling

The sleek black design of the Husqvarna Aspire range is complemented by orange details that intuitively guide you to all interaction points. And improved ergonomics, like adjustable handles, and robust materials help you take on any garden project with ease.
