

Husqvarna Aspire™ Hedge Trimmer 18V Kit With 2.5Ah Battery and 2.5Ah Charger

Easily shape hedges and bushes with the lightweight 18V battery hedge trimmer Husqvarna Aspire™ H50-P4A. Designed for small spaces, storage is made easy with the included hook. Double-action cutting blades, a powerful motor, and a 50 cm long cutting deck can handle branches up to 23mm. Designed with a smart leaf catcher to collect the hedge clippings while trimming to reduce clean-up work. Ergonomic soft grip handle and improved safety with the automatic shutdown when the hedge trimmer is left unattended. Like all tools in the Husqvarna Aspire™ range, it has a sleek black design complemented by orange details that intuitively guide you to all interaction points. The 18V POWER FOR ALL ALLIANCE battery system offers both flexibility and less storage since one battery can be used for several tools and gardening brands.

POWER FOR ALL ALLIANCE battery system

The 18V POWER FOR ALL ALLIANCE battery system is optimal for home and garden tasks. One battery can be used for several tools and gardening brands, which allows great flexibility and less storage. Available in two sizes, Husqvarna's 18V batteries have been optimised for Aspire™ tools to ensure improved power and efficient run time and to suit a variety of DIY projects in your garden. In addition, the compact battery size and the low weight facilitate usability, making every task more convenient and efficient.

Automower® Aspire™ R4 is not part of POWER FOR ALL ALLIANCE and is powered with a built-in battery.

Compact Storage

Made for easy storage with its tailor-made hook and compact design, Aspire™ tools can easily become even less bulky thanks to adjustable, collapsible or detachable parts that facilitate both storage and transport in tight spaces such as small sheds or cars. Using the hook included in every package, you can choose to store them directly on the wall or hang on our wall-mounted storage rail, part of the Husqvarna Storage system. Rail accessory sold separately.

Compact Performance

The compact size and light weight of each Husqvarna Aspire™ product improves maneuverability. And with a host of innovative Husqvarna technologies, you get high capacity and efficiency that make it easier to achieve a perfect result in the garden.

Intuitive Handling

The sleek black design of the Husqvarna Aspire™ range is complemented by orange details that intuitively guide you to all interaction points. And improved ergonomics, like adjustable handles, and robust materials help you take on any garden project with ease.
